How can my child work on his/her speech & language skills?

If your child is working on **language skills**...

(Exact language skills targeted in your child's IEP will vary, but may include things like increasing overall understanding & use of vocabulary words, answering & asking WH questions, understanding how items go together in categories, understanding how two things are similar and different, using correct verb tenses, expanding the length of sentences, describing, and more.)

PLAY

Many language skills can be targeted through playing together with an adult! Choose an activity such as Lego blocks, Play-doh, catch, dinosaurs, or action figures, and follow your child's lead. Have your characters interact & talk with each other, narrate aloud what you are doing or creating, or sort things into groups that are alike (ex: all the big dinosaurs, or all the red pieces).

When interacting with each other, model full sentences and expand on what your child says (add 1-2 words).

Child: "Her can fly."

Adult: "Yes, she can fly fast!"

Child: "Here a cookie."

Adult: "That is a big cookie! Can you make a small cookie too?"

Child: "Here!"

Adult: "Thank you! I love chocolate cookies."

Child: "Uh oh! Tower all gone."

Adult: "Oh, the tower fell down! How can we fix it?"

TIP: Sometimes we might use "communication temptations" in therapy - where we might deliberately leave a tight lid on a container or put something out of reach on purpose - so the child will need to request help.

GAMES

Playing simple games such as Sneaky Snacky Squirrel, Memory, Hi Ho Cherry-o, Go Fish, & Uno can provide great opportunities to practice turn taking skills, following directions, asking and answering questions, using full sentences, understanding concepts such as more/less and next/first/last, and many more skills!

Reading books together is one of the best ways to build language skills!

BOOKS

Choose a picture book to read together. Read the words, but also talk about the pictures; read books more than once!

- Point out details you notice, and try to guess together what might happen next (ex: "Look, she has a raincoat and rain boots. What kind of weather do you think it is outside? What season is it?").
- Connect details from the book to your life (ex: "Look, they are going to the petting zoo! Remember when we went? What were your favorite animals?").
- Talk about how the characters might be feeling (ex: "Oh, she lost her favorite toy! How would that make you feel?) in the different situations in the story.
